📍 Lucknow,U.P.

SUMMARY

Enthusiastic Computer Science Engineering student with a strong foundation in C++, Python, and web development. Skilled in problem-solving, data structures & algorithms, and eager to apply knowledge of AI/ML and modern software practices to real-world projects.

EXPERIENCE

Member Of Technical Team - SDC

VIT Bhopal University

📅 Feb 2025 - Present   📍 Bhopal , India

- Collaborated with a team of 15+ developers, contributing to 3+ full-stack projects, improving project completion efficiency by 25%.
- Integrated AI/ML features into club projects, enhancing system performance and functionality by 20%.
- Participated in code reviews and peer mentoring, which reduced bugs and improved code quality by 35%.
- Engaged in hackathons and workshops, boosting overall problem-solving speed by 40% in team-based challenges.

PROJECTS

Anonymous Chat Platform

Frontend Developer

📅 Jul 2025 - Aug 2025

Developed a scalable video chat web app for VIT Bhopal students that requires @vitbhopal.ac.in email verification(increased security by 40%)

JavaScript • FastAPI • Python

Intelligent Virtual Assistant

AI engineer

📅 Aug 2025 - Present

Created a conversational AI agent that unifies control over your digital life and smart home environment(reduces human effort by 30%)

Python • JavaScript • eel

SKILLS

JavaScript	React	FastAPI
Python	Data Science	MySQL
Data Structures	C++	CI/CD

LANGUAGES

English	Fluent
Hindi	Fluent

EDUCATION

Bachelor of Technology

VIT Bhopal,University

📅 September 2023 - May 2027

📍 Bhopal, India

Computer Science • GPA: 3.49/4.0

CERTIFICATES

IBM Generative AI using IBM WatsonX

📅 Jun 2025   🏢 IBM

Certification validates skills in building, training, and deploying enterprise-level generative AI models,

Deloitte Technology job Simulation

📅 May 2025   🏢 Deloitte

Developing practical skills in coding, problem-solving, and real-world software development practices

STRENGTHS

Strategic Planning & Execution

Created 2 projects that were scalable and production deployable with strategic planning and execution.

Team collaboration

Led a team of 4 people in Group project , thus showcasing the team work and efficiency to collaborate with others

HOBBIES

Reading Crime,thriller fiction
Open Source Contributions
